

## Gingerbread Latte

### Ingredients:

- 2 oz. espresso
- 8 oz. 2% milk
- 3 tsp. simple syrup
- 1/2 tsp. ground cinnamon
- 1/4 tsp. ground ginger (optional)
- whipped cream

### Brewing & Assembly (8.1 oz. Beverage):

1. Pour milk into milk container.
2. Turn knob on milk container to "insert" and slide container into machine, you will hear a beep when fully installed.
3. Turn knob to "low froth" (middle coffee cup on dial)
4. Press  (upper right corner) to select the desired coffee strength; recommend medium to strong (4th level).
5. Press  once to select a small serving size.
6. Add simple syrup, cinnamon & ginger to mug, place mug onto platform under coffee spout & slide both spouts into position over mug.
7. Scroll through "Beverage Selections;" select "Latte;" cycle will begin.
8. Add whipped cream or additional spice to taste.
